

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY
RAMAPURAM CAMPUS
COLLEGE OF SCIENCE AND HUMANITIES

Education is all about creating an environment of academic freedom, where bright minds meet, discover and learn. SRM Institute of Science and Technology (formerly known as SRM University) is an inspiring place to advance students' career and help shape their future. One would experience a world-class life and learning experience at SRM. SRMIST is one of the top-ranking universities in India with over 20,000 students and 1,500 faculty members, offering a wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Architecture, Medicine and Health sciences, and Science and Humanities.

About College of Science and Humanities

The College of Science and Humanities (CSH) started in the year 2014 intended to

- ⇒ Impart quality education to students
- ⇒ Offer career-oriented programs
- ⇒ Encourage students & faculty members to attend major conferences, workshops, publications and research projects
- ⇒ Attract high-calibre professors and aspiring students
- ⇒ Cater to the needs of the scholarly pursuits of the young minds

We offer a wide array of 20 academic programs in Science and Humanities at both undergraduate and postgraduate levels to support the students from all disciplines to increase employability, find opportunities and learn career-ready skills to plan for their future. Our degrees look great on a resume and, we have plenty of services to help kick-start students' career.

- ⇒ 16 programs at undergraduate level
- ⇒ 4 programs at postgraduate level
- ⇒ PhD programs

Vision

- ⇒ To emerge as a World - Class University in creating and disseminating knowledge
- ⇒ To provide students a unique learning experience in science, technology, medicine, management and other areas of scholarship that will best serve the world and mankind.

Mission

- ⇒ MOVE UP through international alliances and collaborative initiatives to achieve global excellence.
- ⇒ Give the students an edge in education to advance knowledge in a rigorous academic and research environment
- ⇒ ATTRACT AND BUILD PEOPLE in a rewarding and inspiring environment by fostering freedom, empowerment, creativity and innovation.

Courses Offered

Department of Commerce

- B.Com - General
- B.Com - Corporate Secretaryship
- B.Com. - Accounting & Finance
- B.Com. - Information System Management
- B.Com. - Honours (Professional Accounting)
- M.Com. - Master of Commerce
- Ph.D - Full Time & Part Time

College of Management

- B.B.A. - Bachelor of Business Administration
- M.B.A. - Master of Business Administration
- Ph.D - Full Time & Part Time

Dept. of Computer Applications

- B.C.A. - Bachelor of Computer Applications
- B.C.A - Data Science
- B.Sc. - Computer Science
- M.C.A. - Master of Computer Applications (Full Time - 2 Years)
- Ph.D - Full Time & Part Time

School of Languages

- B.A. - English
- M.A. - English

School of Basic Sciences

- B. Sc- Physics
- B. Sc- Chemistry
- B. Sc- Biotechnology
- Ph.D - Full Time & Part Time

School of Media Studies

- B.Sc. - Visual Communication
- B.Sc. - Film Technology
- Direction, Cinematography, Editing, Sound, Graphics & Animation, Diploma in Film Acting
- B.A. - Journalism and Mass Communication

Dept. of Fashion Design

- B.Sc. - Fashion Design

Department of Commerce

The Department of Commerce was started in 2014 and since then it has been providing quality education to the students. Currently, 1956 students are pursuing B.Com. Programs in various disciplines. The department caters to the demands of the market and strives to produce competent and qualified professionals in the field of commerce. The courses offer a wide range of subjects starting from Accounting, Taxation, Banking, Business Economics, Business Law, Statistics, Human Resource Management, Tally accounting, e-commerce and entrepreneurship. It offers B.Com (Company Secretaryship), B.Com (Accounting and Finance), B.Com (Information System Management) and B.Com (Honors).

B.Com (Honors) in Professional Accounting is an Undergraduate Program in commerce, which is integrated with the Association of International Certified Professional Accountants (AICPA) - CIMA Curriculum. To create the need-based program and curriculum for the students, the department offers M.Com Program. Currently 41 students are pursuing the program. The department has one full time PhD scholar.

The Department

- Has a unique place in the college as it manifests camaraderie devoid of discrimination
- Provides an active atmosphere with dedicated, committed, accessible, informative and responsive faculty to acquire sound knowledge in the subjects.
- Offers wide scope to sharpen both academic and life skills to develop their personality

The department teaches the syllabi through learner-centered teaching methods such as case studies, role-play, field visits, and project work. The syllabus is constantly updated to reflect new trends in the subject and to take advantage of the latest infrastructure. Students also avail of a new state of the art computer lab. The students are also groomed to do well in Professional entrance exams like CA, ICWA, ACS, etc. The department also organizes Career Guidance and Entrepreneurial Development Programs to upgrade their skills and make them industry-ready.

The faculty's enthusiasm for the department to impart quality education is reflected in the student's inclination for perfection. The scholarly faculty team guides students at every step, motivating them to become worthy managers and administrators in the field. They engage in various forums to constantly upgrade their skills and to ensure the students are well prepared to succeed. There are remedial classes organized for deserving students.

Courses Offered

- B.Com - General
- B.Com - Corporate Secretaryship
- B.Com - Accounting & Finance
- B.Com - Information System Management
- B.Com - Honors (Professional Accounting)
- M.Com - Master of Commerce
- Ph.D - Full Time & Part Time

College of Management

Ramapuram SPM, College of Management, (CoM), was established in the year 2007. We are in our Quattuordecennial. Master of Business Administration (MBA) at Ramapuram SPM offers two year full time, three years part time and Doctoral (Ph.D) program in Business. It solely aims at moulding graduates to become proficient managers.

College of Management develops leadership qualities that helps to solve conventional problems, supports innovative initiatives, sharpen the theoretical and practical knowledge, professional skill development that emphasizes the fundamental way of thinking.

College of Management has collaborated with Foreign Universities for Semester Abroad Program (SAIP). College of Management has signed MOU's with reputed industries in the domain on Business Analytics, HR, Finance and Marketing. The industrial collaboration extends for research, consultancy, internships, projects and placements. Management program is tailored meticulously for the industry dynamics and the ever-changing economic scenario.

The program involves classroom teaching, case discussions, event from professional society academic partner MMA (Madras Management Association), Motivation from renowned alumni through Alumni talk, club activities like Marketing club, HR club, Finance club, Journal club, Nobel club, Students Research cell, Management Internship in Industry and Project Work. Ramapuram SPM is unique in Management Education with Academic Excellence, Pedagogy and Versatility

Courses Offered

- B.B.A - Bachelor of Business Administration
- M.B.A - Master of Business Administration
- Ph.D - Business Administration

TOGETHER WE MAKE THE DIFFERENCE.

Department of Computer Applications (BCA)

The Department of Computer Applications (BCA) was started in the year 2014. The department has an excellent infrastructure with smart classrooms, state-of-the-art Computer labs and a well-equipped library with the latest books and journals. The dedicated teachers and the experts in various domains in Computers train the students to prepare themselves to compete at the global platform. The Department has been consistent in producing University ranks every year. It encourages research work and the faculty members are pursuing their PhDs. Currently, 3 faculty members are guiding 7 research scholars.

The Department is the Nodal centre for ISRO-SPS outreach program. It has an excellent pedagogic atmosphere and infrastructure for the successful conduct of the Bachelor's programme in Computer Applications. The expertise of the faculty members, their dedication and professionalism to impart quality education and inculcate moral values give an edge to help the students achieve success.

Courses Offered

BCA - Computer Applications

PhD - Full Time & Part Time

BE EDUCATED

BE A GOOD ACHIEVER

Department of Computer Science

Bachelor of Computer Science (BSc CS) is one of the most popular programs in the IT domain. This field has the potential to properly design and determine our career. This program was started in 2015 and has around 600 students. It also has 2 full-time research scholars. It is a consistently growing field with a wide variety of job opportunities both in India and abroad as the industry's demand grows steadily.

This degree can lead you to profiles like Computer Scientist to an Information Systems manager or a Network specialist whose job is to draw the technological road map for the organization, ensure efficient management of the available computer facilities, handle smooth functioning of the local area and wide area networking, implement cyber security systems, look after software and hardware system upgrading, and manage system designing and technical analysis for the organization. The course covers all aspects of computers right from the basic fundamentals of computers to database systems & advanced courses like C++, Java, AngularJS, Android, Bigdata Ecosystem, Data Science, Cloud Computing etc.

Courses Offered

B.Sc - Computer Science

Ph.D - Full Time & Part Time

Department of Computer Science and Applications Master of Computer Applications (MCA)

The Master of Computer Applications was started in the year 2007. The Department of Computer Science and Applications endeavors to provide quality education by upgrading the skills and guiding students towards a successful career path.

With its highly qualified, dedicated and experienced faculty members, the Department provides a suitable environment to develop pioneering talents and practice ethical values. It provides a platform for the students to continually enhance the proficiency for consultative activities with the industry – institute relations. It instills the passion for knowledge in the students to keep pace with the dynamic field and produces experienced and intelligent professionals to face the challenges at the global intellectual hub.

The Department continues to have tremendous success and marches towards introduction of new courses like B.C.A – Data Science with industry collaboration.

Key Features

- Provides Placement Opportunities to all the Eligible Students
- Produces University Rank every year
- Outcome-based learning using E-Lab and ICT Tools
- Centre of Excellence: Opportunity to do Real Time Projects
- Industry Connect: Consultancy Work Internship offers with stipend
- Industry Mentoring: Support for Placement and Project guidance
- Tie-up with other Universities across the Globe

Courses Offered

- M.C.A - Master of Computer Applications - 3 Years
- PhD - Full Time & Part Time
- B.C.A - Data Science - 3 Years
(To be introduced in the Academic year 2021-2022)

School of Languages

B.A. English

The Department of English and other Foreign Languages (Science and Humanities) was established in 2014. It offers English language courses, alongside Tamil and French courses by qualified and experienced faculty members in a supportive and dynamic environment. The Department strives at offering a fine measure of innovative and balanced academic program and emphasizes on learning-outcome-based education. Students are also encouraged to join various clubs like the English literary, Theatre, Quiz and Journal clubs, the Tamil Mandram, Vinodha Medal, Vинаadi-Vinaa, Vasaagarvattam, and the French literature club. Through this program, the department not only provides diversity in academic learning but also ensures excellence and standard to meet the global job requirements.

Objectives

- To refine the language/communication skills of the students
- To continuously strive at unleashing the potentials of the students
- To be instrumental in sharpening their emotional and social competence
- To channelize the students to be goal-oriented
- To programme their minds to be self-assertive
- To help them become society-ready and industry-ready

Courses Offered

B.A. - English

M.A. - English

School of Basic Sciences

Department of Physics

The Department of Physics, SRM IST, Ramapuram campus was established in the year 2004. The department offers B.Sc Physics and Ph.D.

Highly-motivated and well-qualified faculty members are the backbone of the department. The faculty members are dynamically involved in research and they have published more than 120 research papers in International Journals in the last 3 years.

Salient Features

- Recognized as a research department and full-time & part-time research scholars are pursuing their Ph.D programme.
- The staff members are actively engaged in research which resulted in four research projects funded by DST-SERB and Management.
- The Department has collaborative Research with National/ International Institutes / Universities
- Organizes National and International conferences, workshops funded by CSIR, DRDO, MHRD, DRNS, DST-SERB, DST and TNSCST.
- Organizes Guest lectures, Faculty Development Program and Mini-project contest every year under Forum of Sciences (Science Association)
- Active research is being carried out in the field of X-ray Crystallography/Crystallographic studies on drug molecules, Dielectric Studies, Crystal Growth, Electronic structure of materials, Nanomaterials, Ceramic compounds and Nonlinear Dynamics.
- The students are motivated to organize co-curricular events under the able guidance of faculty members.

Career options after B.Sc. Physics

- Technical Assistant - ISRO, BARC, DRDO & ONGC
- Air Traffic Controller/Pilot - Aviation Industry
- Chemical & Metallurgical Asst. - Indian Railways
- B.Sc./M.Sc., B.Ed./TET - Private/Govt. School Teacher
- Internship and Placement in companies/institutes

Courses Offered

B.Sc.- Physics

Ph.D.- Full Time & Part Time

*An Excellent Foundation
For Future Success.*

Department of Chemistry

The Department of Chemistry at Ramapuram campus established in 2004 is dedicated to nurture enthusiasm, interests and passion in the study of chemistry. The Department aims of training and educating students to the highest level of professional and scientific standards and international recognition besides promoting research activities and consultancy. Highly qualified and dedicated faculty members form the backbone of the Department.

All the faculty members are doctorates and are actively involved in research in Organic Synthesis, Nanomaterials Synthesis, Crystal Structure Solving, Theoretical Chemistry, Docking Studies, Computational Studies, Polymer Synthesis, Effluent Treatment, Dye Degradation, Photocatalytic Activities etc. 15 Full time Research scholars are pursuing their PhD in the Department. The Faculty members and the research scholars are actively involved in publishing papers in reputed journals.

Solent Features

- Well-equipped laboratories with state-of-the-art laboratory facilities.
- Internship opportunities in reputed industries.
- Placements in prestigious chemical and pharmaceutical industries.
- Opportunity for higher studies.
- Full-time Ph D Program with stipend.
- Chemingle (Chemistry Association), Eco-Club & Journal Club for showcasing the talents.
- Department organizes (National / International) Conferences / Workshops / Seminars at regular intervals.

Courses Offered

B.Sc. - Chemistry

Ph.D. - Full Time & Part Time

Dream bigger every day.

Department of Biotechnology

The Department of Biotechnology was established to promote education and research in the field of life sciences. The department provides academic and professional excellence for immediate productivity in industrial, governmental, or clinical settings for an ultimate benefit of society and environment. The department strives at imparting latest Agro-technology and Plant tissues culture training for commercially important plants.

The Department of Biotechnology offers a high-quality learning environment for the undergraduate students with an aim to power Post-graduate and Research programs in future. The Department is equipped with high-tech facilities and infrastructures to provide quality education with the help of efficient and committed faculty members.

Course Offered

B.Sc - Biotechnology

Ph.D. - Full Time & Part Time

School of Media Studies

Department of Visual Communication

Bachelor of Science in Visual Communication (B.Sc Vis.Com) is an innovative graduate program that prepares students for careers in the Media industry or for advanced graduate study.

Bachelor of Science in Visual Communication coordinates three distinct approaches to the media: Practical Application, Historical Study, and Critical Analysis. Practical application combines intensive training in Drawing & Painting, Graphic Design, 2D & 3D Animation Software, Camera, Light & Audio/Video equipment operation, production design and a professional internship. Historical study focuses on the evolution of the mass media and the relationship of the mass media to society. Critical analysis explores media ethics, analysis and evaluation.

The department's presence within Chennai city and vicinity to the Film Industry and Institute's association with Film Industry, Popular Studios and Media Houses & TV Channels provides ample opportunity to the students to correlate theory with practical.

Drawing & painting studios are modern and houses facilities for practicing oil, acrylic, poster color and mixed media art works. These are equipped with appropriate tables, easels and Light Box to train the

students in the field of 2D/3D Animation Industry. Our Department boasts State-of-the-Art Audio/Video Postproduction Suites, 3D Animation Studio and Screening Hall for viewing World Movies & Students' Short Film Projects. Department of Visual Communication has well-equipped labs and infrastructure to train the students in the field of Photography, Graphic Production and Art Direction.

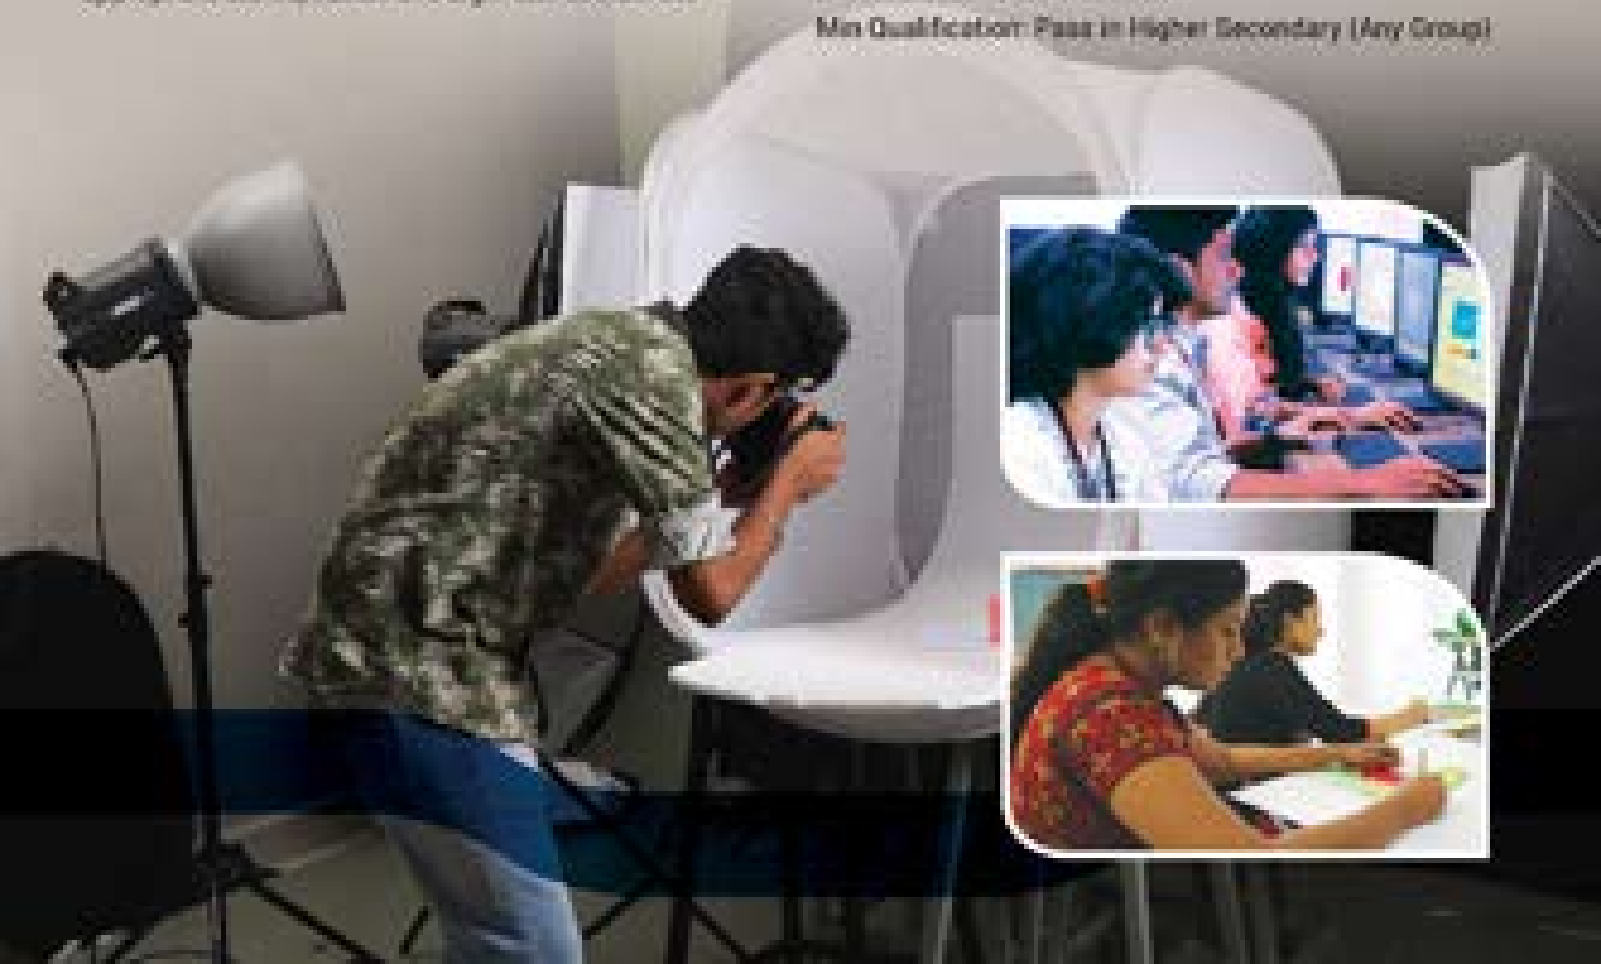

Workshops and Seminars are conducted at regular intervals by inviting professionals from Media industry to offer students, the right exposure to Media industry requirements.

Our classrooms are well-ventilated, spacious and equipped with LED TV monitors supported by proper Audio systems for Audio/Visual Aid Teaching. Short Film Competition and Art Competition are conducted for Students to motivate and encourage them to involve in cohesive work environment and to provide platform to exhibit their skills. Department of Visual Communication provides the perfect ambience to fine tune the student's creativity and to hone their skills.

Course Offered

B.Sc. - Visual Communication

Min Qualification: Pass in Higher Secondary (Any Group)

School of Film Technology

The world of filmmaking stands poised on the threshold of change. As digital and new age technologies are changing the way films are made, it is indeed a very exciting time for enthusiastic youngsters to take up film making as a career.

SHM School of Film Technology provides its students with an opportunity unlike any found in present day film institutes. A full-fledged degree program that trains students in-depth, exposes them to the industry and stresses on practical application. The program opens up diverse, thrilling, and lucrative career opportunities for anyone interested in the field. The institute, which has the right ambience and backdrop for the students to learn the nuances of filmmaking and, also creates a platform for cross-cultural exchanges among the students.

Objectives

- To give hands-on training in artistic and technical aspects of filmmaking.
- To develop knowledge and skills in filmmaking and cinema studies.
- To produce top-class film makers in their respective field of study, viz Director, Cinematography, Editing, Sound recording and Sound engineering, Graphics & animation and Acting.
- To provide excellent teaching in the study of cinema.
- To equip the students, create their own fiction and non-fiction works guided by professional filmmakers.

Courses Offered

B.Sc - Film Technology

Min Qualification: Pass in Higher Secondary (any Group)

Direction, Cinematography, Editing,
Sound recording and Sound engineering,
Graphics & animation

1 Year DFA (Diploma in Film Acting)

Min. Qualification: Pass in 10th Standard

Weekend Certification courses: Direction, Cinematography,
Editing, Sound, Graphics & Animation and Acting

Eligibility: Pass in +2 Age: No Bar.

Students are guided by a team of professionals, hand-picked from the film industry. The expert guidance and qualifications of the faculty members ensure that the students retain the best of the course and remain up-to-date with the industry.

Eminent personalities from the film fraternity are invited to our institute and share their valuable filmmaking experiences with our students and inspire them to become world-class filmmakers. Every week, films from world classics will be screened to the students and help them to analyze all the aspects of the screened film, to help them gain and polish the knowledge on world cinema.

Facilities

EQUIPMENT & LABS

- Direction Lab
- Cinematography studio
 - a. State-of-the-art cameras (film and digital)
 - b. Shooting floor
- Editing Suite
- Sound recording studio
- Graphics and Animation Lab
- Acting studio
- Viewing Theatre

Department of Journalism and Mass Communication

Print media is vital for the functioning of any democratic society and our country has always supported an authentic media industry. Working journalists require a variety of practical skills, such as news gathering, interviewing, writing and editing, as well as a thorough understanding of the legal and ethical framework in which they operate. Here, at SRM College of Science and Humanities, Ramapuram, the Department of Journalism and Mass Communication offers 3 year undergraduate program that caters to the journalistic needs of burgeoning satellite television channels, print and news media. The course aims at providing comprehensive ideas on the news industry and provides in-depth academic knowledge on journalistic skills, to get them exposed to field works and practice professional journalism. The academic part of curriculum concentrates on the full range of modern media and hands-on training in print, radio, television, video and online journalism, students will also learn about media theory, plus legal and ethical obligations as a media professional. The course sharpens reporting, writing, editing skills with our top-notch faculties.

The department organizes seminars, workshops by eminent personalities from the media industry and frequent visits to media houses to bring forth innovations. We deliver journalistic skills, values and technology expertise to students to thrive in today's media landscape. Students will have the opportunity to learn alongside and collaborate with professional journalists. We also work with a range of organizations to support high-quality journalism. Our program will inspire, empower and prepare students for this fast-changing industry and makes them stand apart from the competition and prepare for their dream career.

Course Offered

B.A - Journalism and Mass Communication

Min Qualification: Pass in Higher Secondary (Any Group)

Department of Fashion Designing

The Department of Fashion Designing was established with the purpose of providing high quality education in the field of Garment Designing and Textiles. B. Sc Fashion Designing at SRM IST is a 3-year programme that enriches students with the best designing notions and professional training to become stylists. Customized atelier for students is provided to enhance their production knowledge and skills. This programme enhances the creativity of students to become world-class Fashion Designers and provides a platform to become entrepreneurs by establishing their own labels and brands.

The department organizes seminars, workshops by eminent personalities from the fashion industry, boutiques and frequents visits to textile industry to gain the practical experience. The department has fully-equipped sewing lab, draping lab, fashion illustration lab and textile processing lab.

Garment Construction Laboratory:

The pattern-making laboratory is well-furnished with large number of tables and sewing machineries. It is also equipped with advanced machineries like over-lock and flat-lock sewing machine.

Fashion Illustration Laboratory houses well-equipped illustration tables and stools that are needed for drawing.

Draping Laboratory:

- This laboratory is equipped with dummies for draping. It has men, women and children dummies to drape in various styles.

Textile processing Laboratory:

- This laboratory is rich for textile chemistry study. Aspects of textile processing, printing, dyeing & testing go with full sewing here. It has Dye bath, Electronic balance and Printing table.

CAD Laboratory:

- The Fashion CAD Laboratory trains the students in enhancing their creativity in fashion designing with the help of software like Adobe Photoshop, Corel Draw and REACH CAD for pattern making, grading and lay planning.

Course Offered

B.Sc. - Fashion Designing

UNIVERSITY RANK HOLDERS

Ms.K. Pragadeeswari
University First Rank

I consider SRMIST Ramapuram as a great learning centre as I have acquired a lot for my knowledge development. The faculty members and mentors have always stood by me to help in every part of my academics to secure first rank in MCA. I thank my HOD and faculty members and I feel very grateful to the institution.

S. Saravathi
Batch: (2017 - 2019)
Rank : 1st Rank (MBA Gold Medalist)

Hi I am S.Saravathi, Managing Director of National Steel Industries, Chennai and Alumni of College of Management, SRM Institute of Science and Technology, Ramapuram campus from batch 2017-2019 (MBA gold medalist). SRM School of Management, Ramapuram campus helps students benefit from academics and extracurricular activities, which help them achieve enhanced academic performance and prepare them for position in leadership and services. Amidst the excellent infrastructure, the ambience of the college has always been so positive and encourages learning. Placement cell aids students in getting placed in well-reputed companies.

E. Ajalkumar
B.Sc (CS) 2018 - 2019 Batch
Rank : 2nd Rank Holder

I have completed my Bachelor's in Computer Science at SRM Institute of Science and Technology, Ramapuram Campus. I got University Second Rank in B.Sc CS. We got more placement-related trainings. SRM Institute of Science and Technology has provided me a good platform to show my talent and I believe SRM would be the best choice for all who seek good education with the best placements.

Bringing *Excellence*

STUDENTS / ALUMNI TESTIMONIALS

Mr. Shubham Kumar Singh

MCA Alumni - 2016-2018

Software Engineer, TCS - Salary 3.5L PA

My experience at SRM has been very good. I completed my Bachelor as well as Masters at SRMIST. SRMIST, Ramapuram, has provided me more opportunities to learn new technologies. It is a very beautiful place where I had a good exposure to explore myself. Placement Training played a vital role in my recruitment process. I am very thankful to HoD for his support, guidance and motivation to update and upgrade ourselves through symposiums and other activities. My special thanks to all the faculty members who provided significant support to excel at the global level.

Ms. Sree Mayee

B.Sc. Viscom - 2017-2020

Dance Actress (Malayalam)

A huge Thanks to SRMIST, Ramapuram for providing me an opportunity to gain knowledge and a skill-set to help me move forward in my career in Acting. I would recommend anyone interested in movies and direction as a hobby or a career to take B.Sc. Visual Communication.

Aniket Kumar Bhaqat

MCA 2018-2020

Accenture - Salary 6.5 LPA

I am lucky and fortunate to be a part of SRMIST, Ramapuram. The department and the faculty members leave no stone unturned to shape one's future. The infrastructure and the lab facilities are simply outstanding! SRMIST, Ramapuram has been a great contributor to the development of my personality. The regular interaction with the Placement team also encouraged me to excel in my interview and develop skills that are required for future growth. It fills my heart with joy unspeakable to be associated with a university of such stature.

Athul Krishna S

B.Sc Film Technology 2015- 2018 batch (SOUND)

SYNCSOUND RECORDIST AND SOUND DESIGNER

The lessons and experience that I had at SRM, Ramapuram was amazing. It was my first platform to the film industry. Today I am a SYNC SOUND RECORDIST & ASSOCIATE SOUND DESIGNER in BOLLYWOOD. I sincerely thank the HoD for his great support and motivation. I also thank our SOUND department faculty members for putting me on the right track. Happy to be a part of this Film institute.

STUDENTS / ALUMNI TESTIMONIALS

Ms. Vaishnavi J

MBA Alumni - 2016-2017

Placed in Kasaya Software Solutions

SRM, Ramapuram offered me the right platform to realise my passion and helped me to chase my dreams. Being a part of SRM meant knowing my own individuality. The opportunities which knocked during my journey were impeccable. My gurus changed the paradigm of teaching, by creating an unbeatable formula of expediting learning and brought success into my life. If I had a chance to do it over again, I would be right back there in the college next to you reading it!

N.K.Arjun

MBA 2019 - 2021 SRM Ramapuram

Joining SRM was a turning point in my life. The different opportunities and events provided by the institution tested my abilities and kept me active throughout. Getting selected as the Top 100 best of the best students in the 64 MBA Intercollegiate Summer Trainee awards (India region 2020) boosted my confidence and provided me with an edge during the final placement.

M. Kavipriya

B.Sc (CS) 2016 - 2019 Batch

Deloitte India, Associate Analyst CTC - 3.85 LPA

I completed my Bachelor's Degree in Computer Science at SRM Institute of Science and Technology, Ramapuram. I had an enriching and rewarding experience. Placement Training played a vital role in my recruitment process. I am very thankful to HoD for the constant support and guidance. SRM has provided me opportunities to learn new things through symposiums and other academic activities. My special thanks to all faculty members who provided more support. SRM IST has provided me a good platform to exhibit my talents.

Nishanth

Batch of 2018 - 2021, 3rd YEAR BCA, SRM Ramapuram

Placed in Deloitte Company with Highest CTC - 3.85 LPA

I'm Nishanth, currently pursuing Bachelor of Computer Application in SRM IST Ramapuram. I belong to the batch of 2018 - 2021. These three years I spent at SRM were great and I created lots of memories to cherish for a lifetime. The faculties have a very good knowledge in their subjects and are friendly to approach. I'm thankful to all the faculties, mentors and placement cell without whom I couldn't have been placed in Deloitte USI with a very good package. And finally I'm thankful to SRM for accelerating my knowledge curve. I'll be graduating from SRM as a proud SRMite!
