9. ORGANIZATIONAL CHART

10. INSTITUTIONAL GOVERNANCE

A flexible governance mechanism allows the institution to make significant strides towards the realization of its goals. Governance is based on the themes of:

a. Autonomy and oversight

Each school and administrative function sets their own individual strategies along with the Vice Chancellor of the institution. Along with the strategy, a set of targets and boundary conditions are prescribed against which the progress towards realization of the strategy is measured.

b. Synergy between academia and administration

Administrative and administrative tracks are kept separate since the people requirements of individuals in the two tracks are different. Shared services (HR, finance, payroll management, estate management, international relations, etc.) centres are established and operated that service all the Faculties.

c. Transparency and accountability

Transparency is present at two levels – institution to external stakeholders and within the institution. For external stakeholders, annual reports, research publications, academic and process reports are published. Internally, a 360 degree feedback process along with recourse for appraisals is present. To ensure accountability, targets are set every year during the strategy decision phase, against which each functions measured.

d. External advisory

Statutory academic bodies like Board of Management, Academic Council and Boards of Studies are represented by external members from academia and industry who provide useful inputs which are incorporated into the system.

e. Faculty input

All the statutory bodies of the institute have faculty members' representation as mandated by the UGC regulations.

The apex governing body is **Board of Management** and its key functions are:

- i. To establish, on the advice of academic council, divisions and departments for the academic work and functions of the Institute and to allocate area of study, teaching and research to them.
- ii. To create teaching and academic posts, to determine number, cadres and qualifications there of as approved by the Commission, statutory body concerned and the emoluments of such posts in consultation with the Finance Committee.
- iii. To approve the award of Degrees and diplomas based on the results of examinations and tests and to confer, grant or award Degrees, Diplomas, Certificates and other academic titles and distinctions:
- iv. To transfer or accept transfers of any movable or immovable property on behalf of the Institute:
- v. To manage regulate, and administer the revenue, the Finance, accounts, investments, properties, business and all other administrative affairs of the Institute and for that the purpose to appoint such agent or agents as it may deem fit.

Academic Council

The Academic Council shall be the principal academic body of the Institute and shall, subject to the provisions of the rules, have the control over and be responsible for the maintenance of standards of teaching, research and training, approval of syllabi, coordination of the research activities, examinations and tests within the institute and shall exercise such powers and perform such other duties and functions as may be prescribed or conferred upon it by the Rules of the Institution

Research Advisory Committee

The committee advises the institute on matters related to research, patents and innovations carried out by the faculty/students. It also prepares the budget for research and get the same approved by finance committee and board of management.

Planning and Monitoring Board

The Planning & Monitoring Board shall be the principal Planning Body of the Institute and shall be responsible for the monitoring of the development programmes of the Institute. It has the right to advise the Board of Management the Academic Council or any matter which it considers necessary for the fulfillment of the objectives of the Institute.

Finance Committee

To consider the annual accounts and financial estimates of the Institute and submit them to the Board of Management for approval and recommend the annual budget and revised estimates to the Board of Management.

About the Cell

The Women's Grievance Redressal Cell (WGRC) at SRM University is a dedicated body established to address and resolve grievances and issues related to female students, faculty, and staff within the campus community. The Cell works to ensure a safe, respectful, and inclusive environment by providing support, redressal mechanisms, and awareness on women-centric concerns.

Objectives

- To promote a gender-sensitive and discrimination-free campus.
- To address complaints and grievances of women in a confidential and timely manner.
- To take appropriate action based on the nature and seriousness of the complaint.
- To conduct awareness programs and sensitization workshops on women's rights and gender equity.
- To foster an environment of respect, dignity, and equality for all genders.

Functions of the Cell

- Receive and resolve complaints from women students, faculty, and staff.
- Ensure confidentiality, fairness, and impartiality in the grievance redressal process.
- Organize workshops, seminars, and campaigns to promote gender awareness.
- Coordinate with legal or counselling support services if required.
- Recommend appropriate actions to the university administration when necessary.

Purpose of the Committee:

The Disciplinary Committee is formed to uphold and enforce the code of conduct among students and to maintain a disciplined, safe, and respectful academic environment within the institution. The committee ensures that student behavior follows the institution's values, rules, and regulations, helping to create an atmosphere that supports learning and character development.

Roles and Responsibilities of the Committee

- Ø To maintain student discipline during all events conducted on campus.
- Ø To ensure a calm and peaceful learning environment in the college.
- Ø To prevent fights or physical conflicts among students.
- Ø To Make sure students follow the formal dress code while they are on campus.
- Ø To ensure all students wear their ID cards while on campus.
- Ø To strictly ban the use of mobile phones by students during class hours.
- Ø To monitor student movement and prevent them from loitering in the corridors during working hours.
- Ø To stop students from leaving the college early without proper permission.
- Ø To maintain discipline in the college canteen and student waiting areas during working hours.
- Ø To support the anti-ragging committee in preventing ragging on campus
- Ø To keep proper records of all disciplinary cases and actions taken, and submit reports to the head of the institution.

Functions of the Committee:

- Ø To enforce the institution's discipline policy equally across all departments. Ø To act as a mediator between students and faculty/administration in cases of disputes or behavioral issues. Ø To respond quickly to complaints received from faculty, staff, or students regarding discipline.
- Ø To work with parents or guardians when necessary, especially in repeated or serious cases.
- Ø To promote a culture of responsibility, self-discipline, and ethical behavior among students.

19. COUNSELING/ MENTORING

a. One on One Counseling

For every 20 students or less a faculty mentor is assigned who takes care of the interests of the students in every way. A few of the areas where mentoring is done include:

- Guiding the students in selecting the courses under choice based curriculum
- Regular attendance
- Choosing electives
- Career counseling
- Helping students in the courses where they are weak by arranging compensatory courses
- Students with psychological problems are referred to institute counselor.

Faculty counselors also form WhatsApp groups to be in touch with students and redress their grievances. Once in 15-20 days formal counseling sessions are announced the counselor has face to face meeting with the students in groups as well as one on one basis.

The counselors also keep all the academic records of the students allotted to them and they

routinely inform the parents about their wards' progress and whenever necessary parents of the wards are called to the institute to resolve any contentious issues associated with the students.

b. General Counseling

Mentoring of students is done in a systematic manner right from the day the students join the institute. During the first week after admission, the students are collectively mentored on the following areas.

- Curriculum and Flexible Credit Based System
- Research at SRM and Challenges
- Innovation and Incubation at SRM
- Science of Wellbeing
- Examinations and Systems
- Know your brain. Use it or lose it
- Career Development & Placement
- Patriots for life
- Physical Fitness & Yoga
- Law and Society
- Antiragging & Antidrug Awareness
- SWAYAM–Smart Education Initiative
- Swachh Bharat Abhiyan & NSS

These mentoring sessions are addressed by eminent internal and external speakers. The outcome of these sessions is that students get positively oriented towards their studies at the outset itself thus reducing the chances of a few of them going astray.

c. Course Committee meeting

Three times in semester course committee meetings are conducted to discuss the syllabus coverage, quality of teaching based on the feedback by students, performance of students in internal tests and any other grievance related to institutional support facilities like class room ambience, wi- fi etc.

d. HoD Hour

In the time table, a specific hour is earmarked in which the HoD or a senior faculty member visits a class and has freewheeling discussion with the students on course contents, career, industry and aspects of lifelong learning.

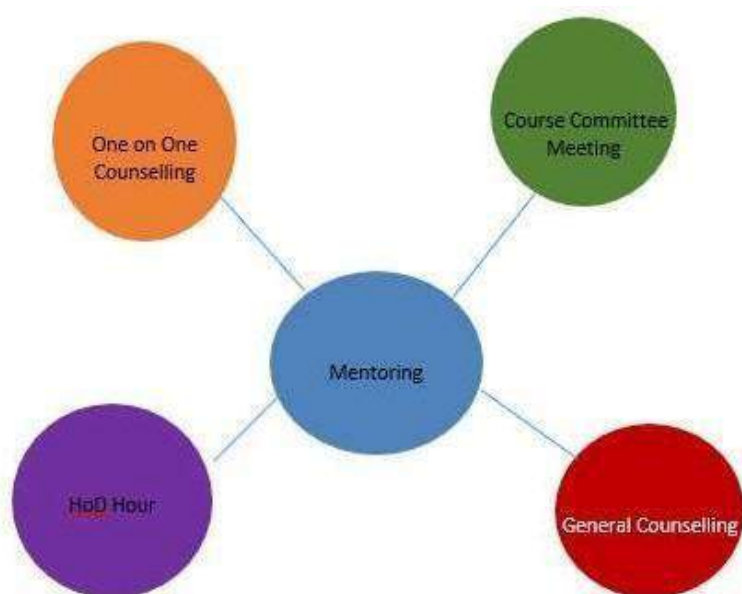

e. Open House

Once in a semester all the class representatives attend open house session chaired by Vice Chancellor, Pro Vice Chancellor, senior administrators and other HoDs. Students are mentored on their career options, higher studies, entrepreneurship, and start-ups. Students also utilize this opportunity to offer suggestions on any improvements that may be made on systems and processes.

The mentoring carried out as elaborated above has resulted in the following outcomes:

- Transition from school to college is made smoothly
- Teaching learning process is fine tuned to meet the aspirations of students.
- Students are exposed to various options related to career, higher studies and entrepreneurial ventures.
- Psychological problems faced by students are resolved.

Modes of Mentoring

20. STUDENTS ACTIVITY BODY

THE CULTURAL ASSOCIATION

This has been formed to motivate and encourage students of the Faculty of Science and Humanities to take part in various cultural events which are held round the year in several educational institutions as well as conduct such festivals in our institution every year. The Association aims to bring out the latest talents of the students in fine arts.

LITERARY CLUB

The literary club is instituted with the specific aim of providing the students a platform to voice their opinions about various matters, as also to perfect their writing and oratorical skills. Its sessions are designed to have fun, along with the ingrained learning process. It will enhance the creativity & skill of analysis along with the power of imagination of the students.

TECH CLUB

In order to shift the focus from classroom to hands-on learning, Tech club has been initiated. Tech club has kept its motto as—Design and Create, to fuel the curiosity, dreams and ideas of the Students.

PHOTOGRAPHY CLUB

To bring out the creativity and aesthetic skills of the students Photography Club has been formed. Professional guidance is provided to the enthusiastic students who are eager to learn photography and short film making

.

ENTREPRENEURSHIP DEVELOPMENT CELL

The Entrepreneurship Development Cell (EDC) was started to promote specialized knowledge in the field of entrepreneurship development. In view of the worldwide shortage of jobs (both government and private sectors) leading to unemployment problems and lack of proper utilization of human resources; the cell strives to identify talented youth to entrepreneurial works. The cell plans to organize various programmes regarding Entrepreneurship development.

BIO CONSORTIUM CLUB

Bio Consortium Club was established in the year 2019 with two main objectives to introduce scientific

heritage to young minds to kindle scientific temperament within them and to identify and appreciate students with a flair for science and technology. Bio consortium supports student's academic interests through inter disciplinary research project, educational workshops, expert talks, community-building socials and brand building

MOZHI–THE DESIGNERS CLUB

The Designers Club "Mozhi" in the department of Fashion Designing, SRM IST

Ramapuram is known for its vibrant activities focused on nurturing creativity and design skills among students. The Club conducts activities and takes initiatives in "Mozhi". Regular workshops are conducted to teach various design tools and techniques that supports their future endeavors. Mozhi organizes design competitions where students can showcase their skills and creativity. These competitions often have themes related to current trends or specific design challenges. Under the Club, Creative Guest Lectures and Seminars are organized. To provide insights and inspiration, Mozhi invites guest speakers who are professionals in the field of design. These Sessions cover topics ranging from industry trends to career advice.

HOUSES

The students are divided into eight houses and several art competitions are held amongst them throughout the year. **The Four houses are**

- AAKASH
- AGNI
- PRITHVI
- TRISHUL
